Dear Mr. Weisberg,

Just a short note to acknowledge receipt of your letter of the third.

If its agreeable with you, I'll drive down this Sunday the 11th. I'll be leaving the city early to beat the traffic, so I should arrive your place before noon.

If the 11th is in any way inconvenient, please let me know and we can arrange another date.

Otherwise I'll assume its OK to come ahead.

Sincerly

Robert Sauer
